## AWARDS AND HONORS

**Winner**, POMS College of SCM Best Student Paper Award 2026  
**Finalist**, INFORMS Service Science Best Student Paper Award 2026  
**Best Flash Talk Award**, Early-Career Sustainable Operations Workshop, UT Dallas, 2026  
 Selected Participant, Rising Stars Workshop, University of Michigan 2026 (29/132 selected)  
 Five-Year Anderson Ph.D. Fellowship, UCLA  
 UCLA Easton Center Research Award  
 UCLA Academic Senate's Council on Research Grant  
 UCLA Fink Center for Finance Grant  
 UCLA Anderson DOTM Area Travel Grant

## TALKS

### **Preventing Catastrophic Wildfires: Annual Grid Inspection and Maintenance Plan.**

- INFORMS PhD Job Market Showcase, San Francisco, CA (Nov 2026, scheduled)
- Service Science Best Student Paper Award, San Francisco, CA (Nov 2026, scheduled)
- HOPE Research Workshop, Notre Dame, IN (Sep 2026, scheduled)
- M&SOM Conference, Harvard Business School, Boston, MA (Jul 2026)
- POMS Annual Conference, Reno, NV (May 2026)
- Rising Stars Workshop, University of Michigan, Ann Arbor, MI (Mar 2026) — Poster
- 4th International Smoke Symposium, Tallahassee, FL (Mar 2026)
- Early-Career Sustainable Operations Workshop, UT Dallas, Dallas, TX (Feb 2026)
- INFORMS Annual Meeting, Atlanta, GA (Oct 2025)
- SoCal OR/OM Day, Irvine, CA (May 2025)
- POMS Annual Conference, Atlanta, GA (May 2025)
- INFORMS Annual Meeting, Seattle, WA (Oct 2024)
- Anderson School of Management, UCLA (Oct 2023)
- INFORMS Annual Meeting, Phoenix, AZ (Oct 2023)

### **Fair and Flexible Scheduling for Dynamic Energy Load Control under Stochastic Demand.**

- POMS Annual Conference, Reno, NV (May 2026)

## TEACHING EXPERIENCE

### **UCLA Anderson School of Management**

2023 – 2025

#### *Teaching Assistant*

- **Business Analytics with Spreadsheets** (MBA elective), Winter/Spring 2023–2025 (6 quarters), Prof. Reza Ahmadi.  
*Responsibilities:* Held office hours; graded assignments and exams; assisted with homework and exam design; proctored final exams.
- **Data Analytics Industry Seminar** (MSBA), Winter/Spring 2025 (2 quarters), Prof. Felipe Caro.  
*Responsibilities:* Graded coursework and tracked participation; guided students in preparing weekly presentations to industry guests; managed course announcements and related course logistics.

### **Sharif University of Technology**

2019 – 2020

#### *Teaching Assistant*

- **System Dynamics** (graduate and undergraduate), Fall 2019.  
*Responsibilities:* Designed homework problems; graded coursework; held office hours.
- **System Analysis I** (undergraduate), Spring 2020.  
*Responsibilities:* Designed homework problems; graded coursework; held office hours.
- **Simulation Languages** (graduate), Fall 2020.  
*Responsibilities:* Held office hours.
- **Computer Information Systems** (undergraduate), Spring 2020.  
*Responsibilities:* Designed homework problems; graded coursework.
- **Statistical Quality Control** (undergraduate), Fall 2019.  
*Responsibilities:* Led discussion sessions; designed homework problems.

- **Facility Planning** (undergraduate), Fall 2019.  
*Responsibilities:* Graded coursework; held office hours.

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                              |
